

Refresh the Ram

Dear Friends who care about art!

Above the Ramona High School theater is a 15-year old faded and peeling mural of a ram. It is time that we "Refresh the Ram" and repaint this mural to its original splendor to match all the other exciting innovations that are happening at Ramona. The \$5,000 price-tag is a bit steep in these days of tight education budgets, so I'm asking for the help and support of people like you! Do not underestimate the value of a beautiful high school campus and freshly painted art murals. It makes a big difference to student morale and school spirit!

In that vein, I am asking each of you for a gift of \$10.00 for the "Refresh the Ram" campaign. It's not much, but when added together it will make a big difference on this campus. An addressed envelope is provided for your convenience! (Or mail any donations to Refresh the Ram Fund, c/o Ramona High School, 7675 Magnolia Avenue, Riverside, CA 92504).

I hope you will join with me in supporting this project and mail in your donation by April 1, 2011. We will unveil the mural with acknowledgement of each and every gift given!

Many thanks for continuing to support the students of RUSD.

Sincerely,

Kathy Allavie
School Board Member and Art Lover

Susan Mills
Ramona Principal
